**Teams?**

Make two man teams simply by putting a 1 and a 1 in in the Team column, for team 1; and a 2 for team 2, etc. Six team shoots are possible. See the results on the team page.

**Jackpot in a Shoot?**

You want to have a jackpot within your shoot. You can make a jackpot out of any one, or more of the stages. Put a 1 in the Jackpot stages column. This will automatically transfer that riders money to the Jackpot in a Shoot page. You need to do this before the shoot. Figure out how to split the money.

**CHK (check box) used for?**

Enter letters or a number here for a specific purpose. You may want to use this for riders for a single stage jackpot or for a group out, etc. See the flagged riders column on the stage sheet.
